SUBJECT: KENNETH ROBERT LABELLE

Dear Ray:

We have not heard from you since June 14, when you sent us a letter and a copy of a newspaper clipping related to this individual.

We wondered if the legal action has now been completed. If so, we would like the outcome of that action. A copy of a newspaper clipping or court records will be most helpful in completing our file.

Sincerely,

Paul Ernst, Director

# Local Scout Master charged with child molestation

by Charlene Hunt  
Kenneth Robert LaBelle, 28, of Payson was arrested on April 18 and charged with four counts of child molestation.

LaBelle, an electrical contractor, was arrested by the

Payson Police Department on information which surfaced through a family counseling session with a pastor. The police were notified by LaBelle's family.

LaBelle admitted to having sexual conduct with a 15-year-old boy.

During the course of the investigation it was discovered that the molestations had been occurring over a two year period.

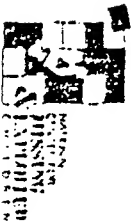

Although the victim was a member of a scout troop of which LaBelle was the Scout

Master, the Payson Police Department at this time does not believe LaBelle had sexual conduct with any other members of the troop.

"We have not interviewed all (15) of the boys yet, however of those interviewed, preliminary

indications are that LaBelle has not made sexual advances toward them," said Payson Police Captain Gordon Gartner.

According to Gartner, LaBelle has admitted to the offenses and is currently being held in the Gila County jail on a \$100,000 bond.

## Protect Our Children

by Charlene Hunt  
Fayson has had its share of criminal activity ranging from burglaries to drug related crimes. We have also had our

share of what some may call one of the most disgusting and repulsive criminal acts known to man...child molestation. In 1986, the National Center

For Missing & Exploited Children published a manual titled "Child Molesters: A Behavioral Analysis" for law enforcement officers investigating cases of child sexual exploitation.

For the purposes of the book, a child molester was defined as a significantly older individual who engages in any type of sexual activity with individuals legally defined as children (under 18).

A person who is labeled as a child molester is now commonly called a pedophile among psychologists, psychiatrists and law enforcement personnel.

Dr. A. Nicholas Groth, who authored the book, "Patterns of

Dictionary contains a layman's definition for pedophilia: "sexual perversion in which children are the preferred sexual object."

Law-enforcement investigations have verified that pedophiles almost always collect child pornography or child erotica.

Last Saturday, April 28, many Payson residents picketed local stores which sell pornography.

"Pornography does play a part in most sex crimes," said Captain Gordon Gartner of the Payson Police Department, "including child molestation."

Most people view child molesting as a serious, delectable crime. Even other criminals abhor child molesters.

parents. Make it clear that telling you what happened was the right thing to do and that you will protect the child from future harm. Remember, often child molester or exploiter will tell the child that bad things will happen if the child ever tell anyone what has happened. The child is especially fearful of punishment, panic, or the loss of the parent's love.

...show physical affection, and express your love and confidence with words, and gestures. Avoid challenge, respect starting with "why", such as "Why didn't you tell me this before?" or "Why did you let it happen?" Give positive messages, such as "I'm proud of you for tell me this, "I'm

Dear Ray:

Thanks for the material you recently sent concerning the above named individual. This was most helpful as we establish a file which will lead to refusal of registration in the future.

We would like a few more facts about the child sexual abuse. What type of situation was involved?

We would, also, like to know if charges are going to be filed, so we will know whether or not there are to be legal proceedings. If there are, we would like the outcome for our files.

Please let us have an answer, so we will know how this file is to be closed.

Sincerely,

Paul Ernst, Director

Dear Ken:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me with 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated.

The procedures for review are attached.

Sincerely yours,

Walter H. Rhoton  
Council President
